

New Family Member Employee Resource Group

The New Family Member ERG provides a welcoming, supportive community where employees can network, share experiences, exchange knowledge, and discover resources that support personal and professional success at Towne. Through open dialogue and collaboration, members gain valuable insights into our culture, values, and the relationships that drive Towne's continued success.

Members have opportunities to:

- Connect and build relationships with fellow new hires across the enterprise.
- Learn about Towne's diverse business lines, departments, and functions.
- Share experiences, ask questions, and gain insights in a supportive environment.
- Explore resources and tools available to support career growth and development.
- Expand their professional network and strengthen connections across Towne.
- Hear from experienced colleagues and leaders throughout the organization.

The New Family Member ERG is committed to helping employees feel connected, informed, and empowered as they begin their Towne journey.

Become part of the [New Family Member ERG Teams Channel](#) to stay informed about upcoming meetings and events, connect with colleagues, access valuable resources, and collaborate with team members from across Towne.
